

## FROM THE PRINCIPAL

Dear Parents and Community Members,

Oak Elementary School supports the district mission of unprecedented achievement and we are proud of the academic accomplishments and character development of our students. Through the combined efforts of staff, involved parents and the students themselves, Oak continually shows growth on standards based state tests.

We continue to work to provide a strong academic program that is challenging and rewarding and includes additional activities that support physical health and the arts.

Our mission is to create a school where everyone feels welcome, valued, and challenged to achieve personal and

academic excellence. Our vision is to have a safe and supportive learning environment where mistakes are seen as avenues for growth.

You can help by monitoring and talking with your student about homework and upcoming projects/assessments, attending parent teacher conferences, and volunteering.

We look forward to partnering with you over the coming year to ensure all students reach their individual potential!

We invite you to visit our website for additional information.

Thank you,

Principal | Kelly Bussard

## STUDENTS

## OVERALL SCHOOL RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

**The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.**
