Takes pleasure in commending

Ryder Robinson

Oak Elementary School

On October 17, 2016, at Oak Elementary School, Ryder noticed what appeared to be a handgun lying on the playground. He did not touch the object and instead told a responsible adult. A police officer arrived quickly and took custody of the item which was later identified a realistic looking replica. Although not a real weapon, Ryder's conscientious actions contributed to the safety of the students and staff of Oak Elementary School.
