Mealtime Info

Students can purchase an extra entrée for lunch, which is called a "super lunch", we have lots of kids who ask for this, however they need to have lunch money in their account when asking. A super lunch is \$1.50. An extra milk is \$.60

Mealtime balances will be going home this month. These are balances from previous years or for super lunch or milk that has been purchased this year. Oak will continue to be free breakfast and lunch for the remainder of the year, as well as next school year.

2019-2020 Registration

Oak sent home "intent to return" forms this week. Please have your student bring them in as soon as possible. If you have moved, please update your address on this form so your student's report card will get to your house at the end of the school year. Registration information will be sent home soon.
