DROP OFF/PICK UP INFO

Please do not pick up or drop off you student(s) in the staff parking lot. We have a lot of children that walk to school and often cut through the parking lot. Our before/after school system can be challenging, but our goals are all the same; to be efficient and safe in the process. Please be patient while waiting for curbside area to clear and for traffic to flow. We like to make sure student(s) are in the right place after school so if plans change you may call the office or email before 3:00 (2:00 on Wednesday) and we will get the student(s) a note.
