April 2nd, 2020

Oak Families,

Let us start off by saying we miss you and we hope you are all safe and healthy. If there is anything that we might be able to help with you during this stressful time please don't hesitate to reach out to us through email. If you have any questions or concerns whether it's school related or not please reach out to Mrs. Bussard (kelly.bussard@albany.k12.or.us), Mrs. Johnson and Mrs. Yencopal (OakAttendance@albany.k12.or.us), or a classroom teacher.

Distance Learning will begin April 13th. Please make sure you are watching for more information coming from your student's teacher(s) and from the GAPS District Office as we work through what this will look like. Workbooks are in the process of being mailed out through the distributor to families and should be arriving soon. For families with more than one student, you may not receive all of the workbooks the same day/week. There is new information coming from the district frequently so it is important to stay connected. The district website, GAPS facebook, and Oak DOJO are all places to stay connected. We will do our best to keep you all updated as everything changes. If you have not been receiving the district emails and would like to receive them, please email the office so we can help get you on the list.

We know our staff is missing the routines, chats, stories, and jokes from the kids every day. Students are always welcome to email a staff member's school email address to say hi, ask questions, or tell them they miss them. I know it would put a smile on our faces!

We want to continue having positive connections with our students and support families in our new "normal". This is all new for us and we wish we could be in our building with our students, but this is the situation we are in. We will go forth with a positive attitude. Again please reach out if we can help with anything. Stay healthy.

WE MISS YOU ALL!

The Oak Office Team
